Coldr – Unity Folder Coloring Tool

Copyright © 2025 Mahir Karabulut

LICENSE – FREE VERSION

You are allowed to:

- Use this asset in both personal and commercial Unity projects.

- Modify the source code for personal or internal use.

You are NOT allowed to:

- Resell, redistribute, or repackage this asset, whether modified or not.

- Include this asset in other Unity asset packages or template projects for distribution.

Attribution is not required, but appreciated.

This is the free version of Coldr. Features and license terms may change in future versions. A paid Pro version with additional features may be released separately.

By using this asset, you agree to the above terms.
